Reliable Protection for the Rights of Each Client and Their Family

- **Valuing Health Above All Else** - At Johnson Attorneys Group, we understand that a client's *health and well-being comes first* before any financial compensation. Our staff can provide you with information on quality physicians in the Victorville area who offer treatment for acute injuries resulting from trauma.
- **Dependable Recovery from Losses** - Our team can make sure that you *fully understand what your rights are*. We will also handle claims for losses you have suffered so that you can seek to be reimbursed for them.
- **Fees Only Due Upon Case Settlement** - *You do not pay any upfront fees* to your personal injury attorney at Johnson Attorneys Group until your case has been settled.
- **We Go to Trial Only When Needed** - Our team understands that trial fees can become costly for you. We take steps to avoid these extensive trials, such as pre-litigation settlement negotiations.

A Strong Commitment to Our Clients

We are dedicated to helping you win your case and get back to your regular routine while also recovering from your injuries.

- **Ensuring Proper Care** - We want to help you find the right medical care, so you can make a full recovery and feel your best.
- **Making the Legal Process Easier** - Our team can explain the legal process to you and provide you with the guidance you need to make this process less stressful.
- **Pursuing Maximum Settlements** - We will negotiate so that you don't have to settle for less than the compensation you have legal entitlement to.
- **Providing a Timely Resolution** - Our attorneys will work hard to ensure a timely resolution, so you don't have to wait long for compensation.

- **Seeking Justice and Closure** - We will make sure that you receive closure and justice for the injuries you have suffered.

Possible Compensation for Personal Injuries

Under California law, you can seek compensation for injuries you have suffered caused by a third party's negligence. Different types of compensation you might be entitled to include:

- Medical care in the hospital or emergency room
- Doctor's care, including visits at your doctor's office or at the hospital
- Pain and suffering, including physical discomfort and mental suffering resulting from the accident
- Damage to your car, either partial or full value of your car
- Lost wages from not being able to work and lost future earnings that you are forced to miss out on due to your injuries
